II International Young Brothers Assembly (II IYBA)

This document, written in the form of a letter, in a close and very fraternal style, captures the experience of the **II International Assembly of Young Brothers (II IYBA)** held in October 2021 in Rome, at the Generalate of the Brothers of the Christian Schools.

The journey lived from its preparation to its holding, with the conviction of "**embracing with responsibility the calls of the Church and of the General Chapter in a key of synodality and fraternity as consecrated Brothers passionate for proclaiming Jesus Christ**", constitute the first and second parts of the text, evoking the methodology of the Assembly, its great challenges and, above all, the dreams and the audacious proposals of the Young Brothers, as "**passionate witnesses** of **fraternity at the service of a world in need of greater solidarity**".

We invite you to download, read and share the **Document of the II International Young Brothers Assembly (II IYBA).**
