Brothers of the Christian Schools

## Personal Annual Program

Each of us brings our own uniqueness to the vocation of a Brother and to the Lasallian mission of human and Christian education. Being part of the whole and one of a kind, each Brother is asked to contemplate, as part of a personal annual program, how he can more intentionally and spiritually enter into and embrace the Lasallian mission and heritage as a Brother of the Christian Schools.

It is suggested that each Brother periodically share with his community director, his spiritual director, or a friend his progress with this plan

*"Our treasure, our secret,  
our greatest wealth is to be  
brothers"*

(Bro. Alvaro Rodríguez).

*As you begin to construct your own personal plan for this coming year, you are invited to indicate here a scripture passage or other significant text which, at this point in your life, inspires and has the capacity to guide your attempts to live your life as a Brother.*
