

Chronicle for Thursday, May 22nd 2014

At the beginning of this new Chapter day, the required vote and approval of the minutes dealing with the election of Brother Superior General took place. One by one every Capitulant signed the document.

The list of Brothers drawn up from the various Regional group meetings was proposed for our voting consideration. We voted to list 15 Brothers (3 from each Region). The morning gave us time to share information before voting at the beginning of the afternoon. We also were given time to finish the different thematic group reports which will soon be examined.

We began casting our ballots in the afternoon. One by one, the Capitulants were asked to choose General Counselors for each Region. The procedure was repeated at least 5 times. We utilized a paper ballot on which we wrote one name.

There is no doubt that the results are already known to you:

General Counselor with particular attention to **PARC**:
Brother Ricky Laguda, from the Philippines, non-Capitulant

General Counselor with particular attention to **RELAF**:
Brother Pierre Ouattara, from Burkina Faso, non-Capitulant

General Counselor with particular attention to **RELAL**:
Brother Paulo Petry, from Brazil, Capitulant

General Counselor with particular attention to **RELAN**:
Brother Timothy Coldwell, from the USA, Capitulant

General Counselor with particular attention to **RELEM**:
Brother Aidan Kilty, from Great Britain, Capitulant

We wish all of the new General Counselors our best wishes and encouragement.

We can give thanks to the newly elected Brothers for having accepted their mission. The Government of the Institute is now in place with Brother Robert Schieler, Superior General, and Brother Jorge Gallardo, Vicar.

These Brothers will now have to assume the responsibility of carrying out the directions of the General Chapter.
