Generalate – First meeting of the members of the Commission on Youth

The Commission on Youth meets in-person at the Generalate in Rome from February 13 to 15, 2024. The Commission is made up by Br. César Campos, Ms Nikki Chan and Ms Julia Mayer. The Commission is part of the new structure of the Institute and collaborates with the six other Commissions (Justice and Peace, Evangelization, Education, Association, Formation and Consecrated Life) as well as the Offices that aim to respond to the current needs of the Lasallian Family.

The Commission on Youth offers increased opportunities for Young Lasallians and Young Brothers to engage in the global Lasallian mission. Through their active participation, Young Lasallians can enhance their Lasallian experience and be empowered to make a positive impact in the world.

“We are committed to actively listen and respond to the diverse needs of young people within our Institute and continue building an inclusive and empowering community that aligns with the aspirations of Young Lasallians. In the following days, we will have a dialogue with the members of the General Council and other stakeholders that will enrich our action plan”, declared the three members of the Commission at the end of the three-day meeting.
