ICJM Consortium: Higher Degree Programs

The **Consortium *Istituto Convitto Jesus Magister* (ICJM)** has identified some higher degree programs oriented towards the Consortium's priority learning areas: Leadership Development; Pedagogy (Teaching and Learning); and Religious Education/Catechesis.

The programs and some details on modalities and contents are available in this file

The ICJM Consortium was re-launched on November 21, 2023 during the commemoration of the 332nd anniversary of the 'heroic vow' of St John Baptist de La Salle, Nicolas Vuyart and Gabriel Drolin.

Made up of several Lasallian Universities around the world, the ICJM Consortium collaborates with the formation and mission commissions of Regions, Districts and Sectors, as well as various Lasallian educational institutions, as provides ongoing formation and learning programmes for Brothers and Partners.

In this regard, the ICJM Consortium seeks to create structured programmes for Brothers and Lasallian Partners, as well as for members of other religious congregations who wish to pursue courses in: Leadership Development; Pedagogy; and Religious Education/Catechesis and, eventually, to obtain the corresponding higher degree qualification.
