Lasallian Advent Calendar

This year, spend the Advent season with us!

Get on board for this journey through our educational centers around the world, leading up to Christmas.

Day by day, find out what Lasallian ministry is hiding behind each door and learn more about the solidarity projects carried out by our Lasallian family through its worldwide network of non-profit organizations.

We invite you to involve children, youth, and friends to share in a moment of reflection and solidarity with the most vulnerable entrusted to our care. Discover a story every day, get to know the nonprofit organizations in the De La Salle network, and support our shared educational mission.
