RELAN – LACU (Lasallian Association of Colleges and Universities)

Symposium on Justice and Lasallian Education

To commemorate the legacy of Saint John Baptist de La Salle, patron saint of teachers and founder of the Institute of the Brothers of the Christian Schools, the mission officers of the Lasallian Association of Colleges and Universities (LACU) will present "Justice in the World and the Mission of Lasallian Education Today: Enacting the Common Good" on April 7, the feast day of De La Salle. This virtual symposium will commemorate the 50th anniversary of *Justice in the World*, the 1971 Synod of Bishops' social teaching document, and address Circular 412, *The Educational Service of the Poor and the Promotion of Justice (1980)*, of the Brothers of the Christian Schools.

This event is presented by the mission officers of LACU who minister at *Bethlehem University*, Christ the Teacher Institute of Education, Christian Brothers University, Ethiopian Catholic University – La Salle, La Salle University, Lewis University, Manhattan College, Saint Mary's College – California – and Saint Mary's University – Minnesota, in collaboration with the Office for Lasallian Education at Christian Brothers Conference. This presentation will explore the nature and meaning of Catholic education through the lens of the 1971 Synod document and the recent teachings of Pope Francis.
