Thank you, Brothers!

Last Tuesday, 21 June 2022, the Brothers and the staff of the Generalate bid farewell to the former Superior General (Br. Robert Schieler) and the Vicar General (Br. Jorge Gallardo) representing the whole of the outgoing General Council, with a prayer service dedicated to them in the chapel of the House and a lunch during which each Secretariat and Service expressed their appreciation to them.

Through the words of the Director of the House, Br. Alvimar d'Agostini, and the Superior General, Br. Armin Luistro, the Brothers in office until last May 2022 were remembered for their encouragement and constant support for the entire Lasallian Family during their eight years of service.

'This House,' said Brother Alvimar, 'will always be your home and will welcome you whenever you wish'.

Thank you, Brothers!
