The Commission on Youth invites you to the online Gathering ‘Let’s Talk Lasallian’

Based on the theme of reflection “All is connected”, which has brought the Lasallian Family together this year, the Commission on Youth invites Young Lasallians from across the Institute to participate in the next episode of *Let’s Talk Lasallian*, an online gathering dedicated to dialogue, reflection and global fraternity.

The event will take place on **Wednesday 17 June 2026 at 15:00 (Rome time)** and will bring together Lasallians from different regions of the world to reflect on Lasallian Reflection No. 11: ‘The community of creation and universal fraternity’. Inspired by this reflection, participants will explore how they are called to build deeper connections with one another and with the shared Lasallian Mission.

The online gathering will also feature a significant presentation on the annual theme, “All is connected”, with the participation of Br Chris Patiño, General Councillor and co-author of the reflection, who will deliver a talk focusing on the themes of universal fraternity and the interconnectedness of creation.

The event will also include a panel discussion, featuring Lasallians and Brothers from different contexts, followed by an open virtual space where participants can connect and engage with fellow young Lasallians from around the world.

The Commission on Youth warmly encourages Young Lasallians, educators and members of the Lasallian Family to take part in this important conversation and to share the invitation within their ministries, Sectors, Districts and Regions.
