

# Christ is risen! Alleluia!

We are called to "set out in haste" to announce the Good News: Christ is risen!

Like the disciples on the road to Emmaus, we are ready to let the Spirit seep into our bones and marvel at God's saving plan for humanity.

With our joyful proclamation of the Gospel, Brothers, Partners, Students and all members of the Lasallian Family witness to hope. Our new school for boys in South Sudan is a beacon of hope for the young people of this new war-torn nation.

With hearts on fire for our mission of human and Christian education we collaborate with Jesus' project for the Reign of God.

The *Fratelli Project* in Lebanon for Iraqi and Syrian refugees and the emerging regional "Beyond the Border" initiatives announce the Reign of God to the poor and vulnerable.

Lasallian education is good news indeed for over one million students in 79 countries.

## Happy Easter!
